

## Hard Rock Café

Odds are you're familiar with Hard Rock Café. After all, the company boasts a total of 169 venues in 41 countries. But perhaps you didn't know that Hard Rock celebrates its 40th anniversary this year. Or that Hard Rock Atlanta, open 18 years, houses a unique collection of Southern rock memorabilia including treasures from the Black Crowes, the Allman Brothers and Lynyrd Skynyrd. Or that the new Hard Rock signature series T-shirt hits shelves mid-March. Or that new Chef Anna Firmani's menu offers more healthy options (don't worry, the 10-oz. Legendary Burger topped with bacon, fried egg, cheese and Frank's Hot Sauce is still on the menu). Now you know. 215 Peachtree St. NE, 404-688-7625, [www.hardrock.com/atlanta](http://www.hardrock.com/atlanta) —HSP
