CELEBRATING 82 YEARS...

Henri's Bakery & Café

A sweet tradition since 1929, Henri's is both the place for grab-and-go lunches as well as special treats like wedding cakes. The pastry case taunts with confections like bear claws, honey buns, chocolate-glazed donuts, croissants, pecan rolls, cream puffs, lemon tarts, caramel éclairs and an eye-popping lineup of much more. At lunch, opt for a turkey po' boy, tuna salad on fresh sour dough bread, the salami and cheese on pumpernickel or another made-to-order mouth-watering combination. If you can resist pudding pound cake for dessert, you're stronger than we are.—HSP
