
TEA FOR TWO

Okay, so we're not English. But we do adore afternoon tea, especially when it's served up in elegant style at The Ritz-Carlton, Buckhead. Daily service of Afternoon Tea has been hosted at the elegant hotel since opening day in 1984. It's presented in the English tradition, with an assortment of savory sandwiches like cucumber, caviar and mint cream and also egg salad with truffle on a mini brioche bun, plus sweet pastries such as walnut candied orange tea bread, chocolate peppermint tea cake and hazelnut praline soft meringue sandwich.

Scrumptious seasonal bites are served alongside each guest's loose leaf tea selection that is steeped in individual bone china teapots and poured through sterling silver strainers. 3434 Peachtree Rd. NE, 404-237-2700, www.ritzcarlton.com
