See Savannah

Savannah is a place like no other. Magnificent live oak trees draped in Spanish moss bow and curtsy over streets to greet visitors. Ornate ironwork, elaborate fountains and cobblestone streets lend distinctive charm. And a festive vibe lingers in the humid air. Founded by General James Oglethorpe in 1733, America's first planned city is home to tasty coastal culinary creations like low country boil, Brunswick stew and sweet pecan pralines. Not to mention memorable adventures, seasonal festivals and world-class entertainment. Lace up your walking shoes and jump in. For more info: 877-SAVANNAH, www.savannahvisit.com. —HSP
