## McCormick & Schmick's Seafood Restaurant

600 Ashwood Parkway  
Atlanta  
770.399.9900

Forward to Friends

It's one thing to order salmon and quite another to choose among Coho, Sockeye and Chinook. This is exactly the type of dilemma you'll face at McCormick & Schmick's Seafood Restaurant, where the menu features more than 80 preparations of 30 types of seafood. Because fresh deliveries arrive throughout each day, the menu varies daily as well as from lunch to dinner. So, while it's best that you don't get your heart set on something because it may be out of season or out of stock, find comfort in knowing you'll find something tasty. Chefs are free to prepare dishes based on their own creative inspirations—so, while there are several locations nationwide, it's definitely not a case of "been to one, been to 'em all." Bargain hunting? Head for the bar where the \$1.95 bar menu features a half-pound cheeseburger, steamed mussels and more.
